

Location of Dividing Line "as established and marked on the ground" between the lands of the N.Y.C. & ST.L.R.R.Co. and of the C.S.L. Ry.Co. ....

From the Point of Tangent marked by a monument about 203.7' northeasterly of the northeasterly line of East Boulevard to a point about 12.7' from East Blvd. the Dividing Line is a portion of the 3° base line curve, excepting the angles on either side of East Boulevard, across E. Boulevard and about 12.7' either side, it is the southeasterly face of the concrete arch; from a point about 12.7' west of East Boulevard, which is an angle in the Dividing Line, to the drill-hole about 16.7' west of Woodhill Road, it is the intersection of the face of the retaining wall with the top plane of the footing.

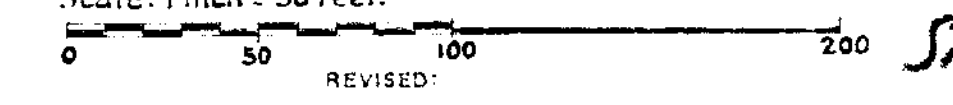

Cross-section of retaining wall showing Dividing Line between the lands of the N.Y.C. & ST.L.R.R.Co. and the lands of the C.S.L. Ry.Co. from East Boulevard to Woodhill Road.
